• Enjoy a vast world with an exciting gameplay experience. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your own character. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An epic drama born from a myth. A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. About the Compilation An exciting spectacle of perception, emotion, and physical sensation, ARTESIA: The Art Of Living takes place within a fully orchestrated soundscape, and was created by visual artists known for works such as "Mt. Fuji (going up) " by Takashi Murakami. A totally rethought living space, ARTESIA, an unprecedented experience of visual sensations, excitement and participation, will delight viewers with a completely new meaning of space and will spark curiosity about the future of architecture. Neon lights will illuminate the festival site at dusk, and meanwhile, one

day prior, the lights of the city will be turned on, and ARTESIA will also be embraced by the people of Tokyo as a "city art festival" with music and lightshow performances, many events and exhibitions, and pop art, as well as special art programs and performances given throughout the festival. - Exclusive Contents- • Featured Artists – Artists who were selected by director Takeshi Kitano

Takeshi Kitano is the director of this film. Among the many directors the film is co-produced, possibly because he is the leading figure in the "anti-noir", bandit culture with which he has worked on for many years. Kitano is a director who creates art as a critical thinker, and has produced works such as "Shinkigeki" and "Blood-C" which both won the Palme d'Or. A totally rethought living space, ARTESIA, an unprecedented experience of visual sensations, excitement and participation, will delight viewers with a completely new meaning of space and will spark curiosity about the future of architecture. ARTESIA will

### **Features Key:**

## **What's new in Elden Ring:**

**Elden Ring: A Deeper Bond: A Varied Disciple** A problem faced by all people in this world, there is evil. Attempting to hide the truth from you, criminals wishing to avoid your attack have waged war against the Elden Ring. Your path will continue where the others have fallen. Known primarily for their strength, savage Disciples will be tasked with showing a turn in the battle. The Tarnished Disciple An abnormal and not-so-strong Disciple who has turned to sin. Their overpowering strength has disrupted the balance of their brain. A Tarnished Disciple is a hybrid created from a Tarnished Disciple and a Normal Disciple. The Ehmer Disciple Rare among the Elden Ring, Ehmer Disciples are masters of the arcane arts. They wield special magical weapons known as weapons of the Elden. The Ehmer Disciple is a Hybrid composed of an Ehmer Disciple and a Normal Disciple. Throughout life, as they continue their fight, they forge a deep bond among themselves. Porefultrance of Dark Intent To save the Elden Ring, your incarnations have scattered across the Lands Between in a bid to spread the truth. Having now met more humans, the number of Tarnished Disciples and Ehmer Disciples is increasing. By observing the humans who live and die, the fate of the world will unfold. Elden Ring Story Conclusions The number of Disciples has increased. The first battle has begun.
