VI Labs introduces Keyscape - The most advanced instrument building. VI Labs True Keys Pianos Bundle.DETAILS FORMAT 12" Vinyl + Digital Album This reissue of A Strange Place features a whole new album of completely redone versions of the songs from A Strange Place. Each song has been re-mastered by Colin Norman (Slowdive, Deafheaven, Mount Eerie), mixed by Colin Norman and George Leger, and pressed on ultra thick, metallic vinyl. The jewel box that contains both the red and black vinyl pressing is recreated as a limited edition color vinyl, with each record housed in a handmade, velvet-lined box. All profits from this release will go to the White Rabbit Project. A Strange Place appeared almost out of nowhere at the end of 2009, much like A Sailor's Guide to Earth, gaining a cult following almost immediately. It was a sound so different from what I was used to, with a depth and darkness of sound so compelling, that I was quick to proclaim it one of the most important releases of the year, and now I'm ecstatic to have released a collector's edition release of this timeless album.
